## Snowshoes from Northern Lites

Alice Cunningham, co-founder and co-owner of Olympic Hot Tub in Seattle, would love snowshoes from Northern Lites. "I've been reading about how you need 60 minutes of real exertion a week," says Cunningham. "I don't know how to snowshoe, but I want to learn." Elite Snowshoes, \$199 at [www.northernlites.com](http://www.northernlites.com).
